Hurricane 2.0 (feat. Kanye West)

30 Seconds To Mars

No matter how many times that you
Told me you wanted to leave
No matter how many breaths that you took,
You still couldn't breathe
No matter how many nights that you lie
Wide awake to the sound of the poison rain
Where did you go? Where did you go?
Where did you go?

(Heart beat, a heart beat,
I need a heart beat, a heart...)

Tell me, would you kill to save your life?
Tell me, would you kill to prove you're right?
Crash, crash, burn, let it all burn
This hurricane's chasing us all underground...

No matter how many deaths that I die,
I will never forget
No matter how many lives that I live,
I will never regret
There is a fire inside of this heart
In a riot about to explode into flames
Where is your God? Where is your God?
Where is your God?

Do you really want?
Do you really want me?
Do you really want me dead?
Or alive to torture for my sins?

Do you really want?
(Heart beat, a heart beat,
I need a heart beat, a heart beat...)
Do you really want me?
(You know I gotta leave, I can't stay,
I know I gotta go, I can't stay)
Do you really want me dead?
Or alive to live a lie?

Tell me, would you kill to save your life?
Tell me, would you kill to prove you're right?
Crash, crash, burn, let it all burn
This hurricane's chasing us all underground...

Kanye:
You say you wrong, you wrong, I'm right,
I'm right, you're wrong, we fight
Ok, I'm running from the light,
Running from the day to night
Oh, the quiet silence defines our misery
The riot inside keeps trying to visit me
No matter how we try, it's too much history
Too many bad notes playing in our symphony
So let it breathe, let it fly, let it go
Let it fall, let it crash, burn slow
And then you call upon God
Oh, you call upon God...

Tell me, would you kill to save your life?
Tell me, would you kill to prove you're right?
Crash, crash, burn, let it all burn
This hurricane's chasing us all underground...

Oh oh whoa
This Hurricane... (3x)

Do you really want?
Do you really want me?
Do you really want me dead?
Or alive to torture for my sins?

Do you really want?
Do you really want me?
Do you really want me dead?
Or alive to live a lie?

Running away from the night,
Running away from the light
Running away to save your life...
