

# Death Requiem

## Mortification

As they gather at the funeral wake  
To speak of good times gone by  
The deceased soul learns some more  
Revealed reality, the flames of unrestSONG: "Maybe his in his next life"  
Sobs ma as the tears roll  
Unknowing the eternal destination  
As He awaits the judgement throneSONG: "He's at rest now"  
The hired celebrant proclaims  
He tickles all the ears  
While sin is exposed by the Heavenly HostSilence falls over the crowd  
As the casket lowers into the ground  
While kneeling in the Heavenlies  
Confessing the forsaken Lord of his lifeSONG: "How can God allow this"  
Cries sister in lament  
But God had other plans  
And revealed what this has meantYou gather what you cast into this straying earth life  
While man has his will, the Son paid the priceYou turn the flesh back into dust  
Saying return to dust you sons of Adam  
Lord teach us so to number our days  
That we may apply our hearts to wisdom  
In order that we avoid the aftermath of separation  
Returning to the original purpose of creationSo back on earth men make their claims playing  
SONG: "Where do they go" games  
While up in Heaven the creator cries as people listen  
To each other's lies
