

Gloves of Metal

Manowar

Hear the pounding army of the night
The call of metal summons us tonight.
And gather we on this site
To behold the power and the might.
We wear leather, we wear spikes, we rule the night. Off with the lights, hear the screams
See the banging heads awaken to their dreams.
The sound of metal so loud it cracks the beams
Played by warriors called the Metal Kings. A hero's welcome for those who heed the call.
We are together, we are all.
With hands high fists fill the air
Against the world we stand.
Hands high forever we'll be there.
Gloves of Metal rule tonight. Yea. A hero's welcome for those who heed the call.
We are together, we are all.
With hands high fists fill the air
Against the world we stand.
Hands high forever we'll be there,
Gloves of Metal rule tonight.
