

# Gas Chamber

## Kryptic Minds

Gas chamber  
Where's the light?  
Stay at home  
Don't feel rightI'm in my room  
All the time  
Trapped inside  
This twisted mindGas chamber  
Cannot breathe  
Time for lunch  
Cannot leaveI'm in my room  
All the time  
I'm trapped inside  
This fucking mindNo action, no, no  
No action  
Gas chamber  
No, no action
