

Rough An' Ready

Whitesnake

I take what I want
An' I steal anything that I need
I would do anything
To get my satisfaction guaranteed 'Cause I'm lookin' for love
The time has come
I'm lookin' for love
An' I mean to get me some
I'm lookin' for love right now I'm rough an' ready All of you woman better
Lift up your skirts an' run
'Cause I aim to shoot my pistol
An' fire like a Gatling gun 'Cause I'm lookin' for love
Believe me when I say
I'm lookin' for love
In the worst kind of way
I'm lookin' for love right now I'm rough an' ready
Rough an' ready
Rough an' ready
Rough an' ready Rough an' ready I take what I want
An' I steal anything that I need
I would do anything
To get my satisfaction guaranteed 'Cause I'm lookin' for love
The time has come
I'm lookin' for love
An' I mean to get me some
I'm lookin' for love right now I'm rough an' ready
Rough an' ready
Rough an' ready
Rough an' ready I'm rough an' ready
Rough an' ready
I'm rough an' ready
I'm rough an' ready
Rough an' ready
Ooh
