

# Goodnight Hollywood Blvd

**Ryan Adams**

It's happening baby  
They're putting up the chairs  
Taking the money  
And all we can do is pray  
Pray for tomorrowSo close your eyes  
And close your mouth  
And do this all in time to the music  
That screams like a child in the back of your mind  
In a clown's saloonSo goodnight Hollywood boulevard, goodnight  
See you soon  
Goodnight Hollywood boulevard, goodnight  
See you sometime  
See you sometime  
Yeah right, yeah rightRun away baby  
Back to your lonely house  
You wanted the honey  
But you were only just stinging yourself  
It's hard to watchSo I close my eyes  
And I close my mouth  
And do this all in time to the music  
That dances like fools set on fire  
Flailing their arms in a room full of whoresSo goodnight Hollywood boulevard, goodnight  
See you soon  
Goodnight Hollywood boulevard, goodnight  
See you sometime  
See you sometime  
Yeah right, yeah right  
Yeah right, yeah right  
Yeah, right
