Don't Stop

Chilliwack

I see you in the light
Movin' in and out of sight
Who are you?
Where have I seen you before?Watching you move around
Turns my emotions upside down
Who are you?
I know that I've seen you beforeNow that I've found you
I wanna see you some moreDon't stop, the feeling is growing
Don't stop, it's starting to show
Don't stop what you're doin' to me
Do it forever, do it foreverDon't stop, I love what you say
Don't stop, it's magic to me
Don't stop touching my soul
Do it forever, do it foreverYou see me? I can tell by your eyes
That this thing is in motion, taking us both by surprise
Could it be?
It's so easyTaking you into my soul like a river
Finding it's way to the sea
Like an old friend
You're finding your way back to meDon't stop, the feeling is growing
Don't stop, it's starting to show
Don't stop what you're doin' to me
Do it forever, do it foreverLike an old friend
You're finding your way back to meDon't stop, the feeling is growing
Don't stop, it's starting to show
Don't stop what you're doin' to me
Do it forever, do it foreverDon't stop, I love what you say
Don't stop, it's magic to me
Don't stop touching my soul
Do it forever, do it foreverDon't stop
Do it forever, do it forever
Don't stop, no, no, no, don't stop, don't stop
Do it forever, do it forever
Don't stop, don't stop, don't stop
Do it forever, do it forever
