

Fly with Me

Jonas Brothers

If time was still
The sun would never never find us
We could light up
The sky tonight
I would see the world through your eyes
Leave it all behind If it's you and me forever
If it's you and me right now
That'd be alright
Be alright
If we chase the stars to lose our shadows
Peter Pan and Wendy turned out fine
So won't you fly with me Oh yeah
Gonna fly with me now Now the past
Can come alive
And give it meaning
And a reason
To give all I can
To believe once again If it's you and me forever
If it's you and me right now
That'd be alright
Be alright
If we chase the stars to lose our shadows
Peter Pan and Wendy turned out fine
So won't you fly with me Maybe you were just afraid
Knowing you were miles away
From the place where you needed to be
And that's right here with me It's you and me forever
You and me right now
I'd be alright
If we chase the stars to lose our shadows
Peter Pan and Wendy turned out fine
So won't you fly
With me If it's you and me forever
If it's you and me right now
I'd be alright
Be alright
If we chase the stars to lose our shadows
Peter Pan and Wendy turned out fine
So won't you fly

Fly
Fly with me
