

Patron (Feat. Bobby Valentino)

Chamillionaire

[Bobby Valentino (Chamillionaire)]

(yeaa)

I'm poppin bottles of patron (poppin bottles of patron)
all night long (chamillionaire and bobby v, we in vip)
its on, its on (hah chamillitary mayne)[Bobby Valentino]

I don't normally drink but tonight I'm gone
gone off that Rosay, gone off that Patron

I'm so gone (baby)

I'm tryna wash my problems away (just for the day)
had too much to drink i wont say I'm drunk
but i think i drank a lil too much Patron

I'm so gone (baby)

I'm tryna wash my problems away (just for the day)[Chamillionaire]

They might say I'm such a flirt, lipstick on my neck and shirt

chicks all up in vip, on my neck like its dessert

said i was at work, and that's really where i was at first
now I'm out with her and she tryna make my pockets hurt
any drink that you prefer, any drink that you prefer
knew that that will work, been a playa ever since my birth
money is a curse, but i always chase the money first

wonder why these girls, keep on askin what my necklace worthmade a bunch of money, gotta lotta cars

gotta lotta groupies that wanna be involved

i could have em all, but my life aint gonna change

cuz my problems still around the corners waitin

i put my cd on, now my money long

mayne i shoulda known, my haters woulda grown

and no i normally don't, but tonight i need a drank

so I'm in the club like what you drinkin[Bobby Valentino]

I don't normally drink but tonight I'm gone

gone off that rosay, gone off that patron

I'M so gone (baby)

I'm tryna wash my problems away (just for the day)

had too much to drink i wont say I'm drunk

but i think i drank a lil too much patron

I'm so gone (baby)

I'm tryna wash my problems away (just for the day)[Chamillionaire]

they mite say I'm such a flirt, lipstick on my neck and shirt

chicks all up in vip, dancing in their mini skirts

lookin at them curves, baddest woman in the universe

I'm jus tellin her, i need you to be my passenger
haters gettin on my nerves, haters gettin on my nerves
and they better learn, they gon always get what they deserve
money is a curse, but not havin money is the worst
I'll get back to work, but I'm bout to sip this henney firstsaid it aint trickin if you jus spend it
imma run outta dough in a minute
every chick sayin she independent
starin at the diamonds all in my pendent
I'm not offended
still tryna find out what her friend is
she tryna find out where my benz is
I'm so glad i got a tenda
its time to get it
tell me when the last time that you've been
with a playa this cool, I bet he isn't
all eyes on me like a witness
told her i didn't
drink it, yee i really meant it
and everybody is all up in my business
and I'm hopin this Henny help me forget it[Bobby Valentino]
I don't normally drink but tonight I'm gon
gone off that rosay, gone off that patron
I'm so gone (baby)
I'm tryna wash my problems away (just for the day)
had too much to drink i wont say I'm drunk
but i think i drank a lil too much patron
I'm so gone (baby)
I'm tryna wash my problems away (just for the day)[Bobby Valentino (Chamillionaire)]
