Susumu Yokota

Where's the fortunate future?
Where does our fortunate future come?
Dick men, fuck off, fuck off and wipe
Get back my merrily memory Where's the fortunate future?
Where does our fortunate future come?
Dick men, fuck off, fuck off and wipe
Get back my merrily memory Under the sun
Sesera warauka no youni hakujitsu no moto
Sakedashita nodokani nagareru seki no kawa Shigai de tsukutta sandou wo omaetachi wa waraiaru iteiru

Soshite yuri no hana ni ari ga muragaru Under the sun

Get back my merrily memory
