Prove Yourself

Radiohead

I can't afford to breathe in this town
Nowhere to sit without a gun in my hand
Hooked back up to the cathode rayI'm better off dead
I'm better off dead
I'm better offProve yourself
Prove yourself
Prove yourselfI want to breathe, I want to grow
I'd say I want it but I don't know how
I work, I bleed, I beg, I prayBut I'm better off dead
I'm better off dead
I'm better offProve yourself
Prove yourself
Prove yourselfI'm better off dead
I'm better off dead
I'm better offProve yourself
Prove yourself
Prove yourself
Prove yourselfWhoa
Prove yourself
Prove yourself
Prove yourself
