

Bumaye (Watch Out For This)

Major Lazer

Hey pull up, pull up,
Sound a bombs and the place are full up,
Sexy gyal, let me count it the love,
Gyal i do fine love,
I murder when me stepping out the club,
selecta stepping on the soul
music the bomb, lyrics by the tons
I'm a hybrid, Sent from above
We tell them,

Watch out for this (x 8)

Watch out for this
I give my best lyrics
Mess up the place, but you are not for this
Ya'll know me now, number one finalist
Gyal all of my twist is like can't resist

Watch out for this
I give my best lyrics
Ya'll know me now, number one finalist
Mess up the place
Bumaye

Watch out for this x4

Watch out for this
I give my best lyrics
Mess up the place, but you are not for this
Ya'll know me now, number one finalist
Gyal all of my twist is like can't resist

Sound open up da place
When good music a place god send me in ya
Til any sound boy... a mug will get murda
Jah let my Babylon and my wine something in ya

Me go the artist yes me go the artists.
Man i'll be general the rest of them are novice
Steppin' out the place gonna go gonna go

Then he woke up by the forrest
Eh, bombo clock know me friend and me goddess
..the smartest,
Open up your fear....
You know you fuck with the artist

Watch out for this (x 8)

Watch out for this
I give my best lyrics
Mess up the place, but you are not for this
Ya'll know me now, number one finalist
Gyal all of my twist is like can't resist

Watch out for this
I give my best lyrics
Ya'll know me now, number one finalist
Mess up the place
Bumaye

Hey, watch out for this
Watch out for this

Watch out for this
I give my best lyrics
Mess up the place, but you are not for this
Ya'll know me now, number one finalist
Gyal all of my twist is like can't resist

Watch out for this
I give my best lyrics
Ya'll know me now, number one finalist
Mess up the place
Bumaye

Sound open up da place
When good music a place god send me in ya
Til any sound boy... a mug will get murda
Jah let my Babylon and my wine something in ya
