Kiss & Tell

Bryan Ferry

Ten cents a dance
It's the only price to pay
Why give 'em more
When it's only love for sale?Adam and Eve
It's the oldest game in town
Just a one way street
To a faded magazineKiss and tell
Money talks it never lies
Kiss and tell
Give and take eye for an eyeFever the heat of the night
Dreamer stealer of sighs
One public face
In a private limousineFlash photograph
It's the only light you see
No secret life
There's no secret you can steelYour lips are moving
But I will never know
What they mean
Kiss and tellMoney talks and love it burns
Kiss and tell
Give and take we live and learn
Kiss and tellWe never lie
Eye foe an eye
Blood on a nail
Kiss me again
