

Catch a Fire

Haddaway

Me and you, ooh
In the heat of the sun
Our life has begun
Like a flame Me and you, ooh
All alone in the sand
I will burn in your hand
And should my will arise to the sky Catch a wind, catch a rainbow, catch a fire
Catch a fire, catch a fire
Catch a wind, catch a rainbow, catch a fire
Catch a wind, catch a rainbow, catch a fire
Catch a fire Me and you, ooh
In the night we will hide
In the flow of the tide
Oh, the shore Me and you, ooh
There's a message for me
In the sound of the sea
I must hold you and never let go You just gotta go
All you need
You can have
All my, all my, all my love
