Heaven Knows

Vincent John

It feels strange to be alone
Floating down Paulista
In the rain
It feels strange to be alone
You said a terrible thing to me
'Cause you know I will forgive you
And it's true
All the terrible things I doSo we fight, we make up
We're in love
Hold me close
So close
To your heart
You know that love will tear us apartSo don't you let me go
Tell me how you want it to be
'Cause baby I don't think that I can take it anymore
Oh, pretty darling, don't leave me here
We'll never make it alone
Heaven KnowsI want you, I need you, I want you
Heaven Knows
I want you, could never make it without you, I want you
Heaven KnowsNow I'm back on the other side
Connect in San Francisco overnight
Said I'd call you
When I'm back on the other side
She's only truly happy
When I'm home, drink Prosecco
When I'm back on the other sideTell me how you want it to be
'Cause baby I don't think that I can take it anymore
Oh, pretty darling, don't leave me here
To make love alone
When I know you need some body
Need somebody to love
Oh, pretty baby, don't leave me here
We'll never make it alone
Heaven KnowsI want you, I need you, I want you
Heaven Knows
I want you, could never make it without you, I want you
Heaven Knows
I want you, I need you, I want you

We'll never make it alone
Heaven Knows
