

# The Single Life

Sarina Paris

Freedom's all around, dancing as we paint the town  
Friends they do surround we are single, yeah  
It's so great to be answerin' to nobody  
Freedom's got the sounds we are single, yeah  
Freedom's all around, people jumping up and down  
Boys and girls get down we are single, yeah  
It's so great to be in the crazy company what more can I need  
We are single yeah

Chorus:

Da dee da dee da dee  
Single life is for me  
Da dee da dee da dee  
With the fond company  
(Repeat)

Da dee da dee da dee, Da dee da dee da dee,  
Da dee da dee da dee, Da dee da dee da dee  
Forget about the boy, girl he don't do you right  
Forget about the weight that he had you tonight  
So dry up all your tears listen now, come with me  
We'll play the single life with the fond company

Chorus

Da dee da dee da dee, Da dee da dee da dee,

Da dee da dee da dee, Da dee da dee da dee  
Freedom's all around, dancing as we paint the town  
Friends they do surround we are single, yeah  
It's so great to be answerin' to nobody  
Freedom's got the sounds we are single, yeah  
Freedom's all around, people jumping up and down  
Boys and girls get down we are single, yeah  
It's so great to be in the crazy company what more can I need  
We are single yeah

Chorus

Da dee da dee da dee, Da dee da dee da dee,  
Da dee da dee da dee, Da dee da dee da dee  
Well you can follow now, you can find Mr. Right  
You'll spend all of your time tryna keep him in sight  
You've gotta take a hold of your life, come with me  
Be single for a while have some fun and be free

Chorus

Da dee da dee da dee, Da dee da dee da dee,  
Da dee da dee da dee, Da dee da dee da dee  
(Repeat)
