One Day

The Verve

One day maybe we will dance again
Under fiery skies
One day maybe you will love again
Love that never diesOne day maybe you will see the land
Touch skin with sand
You've been swimmin' in the lonely sea
With no companyOh, don't you want to find?
Can't you hear this beauty in life?
The roads, the highs, breakin' up you're mine
Can't you hear this beauty in life?One day maybe you will cry again
Just like a child
You've gotta tie yourself to the mast my friend
And the storm will endOh, don't you want to find?
Can't you hear this beauty in life?
The times, the highs, breakin' up your mind
Can't you hear this beauty in life?Oh, you're too afraid to touch
Too afraid, you'll like it too much
The roads, the times, breakin' up your mind
Can't you hear this beauty in life?One day maybe I will dance again
One day maybe I will love again, babe
One day maybe we will dance again, myYou know you've gotta
Tie yourself to the mast my friend
(One day maybe you will love again, my)
And the storm will end yeah, yeah, yeah
Tie yourself to the mast my friend
(One day maybe we will love again, my)
And the storm will endNo anybody you can
Tie yourself to the mast my friend
(One day maybe we will love again, my)
And the storm will end
Make it easy and you
Tie yourself to the mast my friend
And the storm will end
