

You Know I Love You

B.B. King

Now darlin' know I love you
And love you for myself
But you're gone and left me for someone else I think of you every morning
And dream of you every night
And I would love to be with you always When night began to fall
I cry alone
And I wish I could hold you in my arms tonight Oh, darlin' you know I love you
And love you for myself
But you're gone and left me for someone else Oh, darlin' you know I love you
And love you for myself
But you're gone and left me, baby, for someone else
