You Shine

Premiere Cast

TOMMY
If you could see, the way that you look to me
I bet that you'd be amazed at the sight.
You'd see a heart that is fearless and true
From my point of view, Ohhh you shine.SUE (spoken)
What about you?
Why is everything so easy for you?TOMMY (spoken)
Man, if you only knew. Half of the time I'm just faking it, hoping no one will discover I'm a complete fraud.SUE
I think you hide, so much you feel inside.
But I know deep down there's a fire burning bright.
From where you stand it might not be clear,
But you shine from here.TOMMMY & SUE
No doubts.
No more fears.
I see you shine, and the dark disappears.TOMMY
Then I know everything is gonna be fine,
Because you shine, oh how you shine.
You shine.SUE
What a surprise,
Gazing into your eyes.
I swear that I still get lost in the light.
No photograph could possibly show,
The you I know.TOMMY & SUE
No doubts.
No more fears.
I see you shine, and the dark disappears.
All be your mirror,
And you can be mine.
Look to me and you'll see,
Just how you shine.TOMMY (spoken)
Damn! I gotta pick up my tux before they close.SUE (spoken)
Tommy...!
Thank you.TOMMY (spoken)

I love you...
He'd never said that before.
That's what I remember most about that day.(sung)
No doubts.

No more fears.
I see you shine, and the dark disappears.
Then I know everything is gonna be fine,
Because you're mine!
You shine!
