

# Beside You

## Marianas Trench

When your tears are spent on your last pretense  
And your tired eyes refuse to close and sleep in your defense  
When it's in your spine like you've walked for miles  
And the only thing you want is just to be still for a while  
And if your heart wears thin I will hold you up  
And I will hide you when it gets too much  
I'll be right beside you, I'll be right beside you  
When you're overwhelmed and you've lost your breath  
And the space between the things you know is blurring nonetheless  
When you try to speak but you make no sound  
And the words you want are out of reach but they've never been so loud  
And if your heart wears thin I will hold you up  
And I will hide you when it gets too much  
I'll be right beside you, I'll be right beside you  
I will sing, nobody will break you, you!  
Trust in me, trust in me, don't pull away  
Just trust in me, trust me 'cause I'm just trying to keep it together  
'Cause I could do worse and you could do better  
When your tears are spent on your last pretense  
And your tired eyes refuse to close and sleep in your defense  
And if your heart wears thin I will hold you up  
And I will hide you when it gets too much  
I'll be right beside you, nobody will break you  
And if your heart wears thin I will hold you up  
And I will hide you when it gets too much  
I'll be right beside you, nobody will break you
