

# A Fool In Love (DJ Skooby House Mix)

## Ike & Tina Turner

What you say?  
Hey, hey, hey, hey, hey, but hey, hey  
One more time, tell me 'bout itHe's got me smilin' when I should be ashamed  
Got me laughing when my heart is in pain  
Oh no, I must be a fool  
'Cause I'll do anything he's wants me to do, now comeTell me one more time  
Hey, hey, hey, hey, hey, but hey, hey  
One more time, tell me 'bout itListen, without my man I don't wanna live  
Y'all think that I'm lying but I'm telling you like it is  
He's got my nose open that's no lie but  
I'm gonna keep him satisfiedTell me one more time  
Whoa how come, tell me how come  
Tell me one more time  
Tell me 'bout itUh huh, a wave of action speaks louder than words  
The truest thing that I ever heard  
Trust my man and all that he do  
And I'll do anything he wants me to do, how comeTell me one more time  
Hey, hey, hey, hey, hey, hey  
Tell me one more time, everybodyTell me now  
Tell me one more time  
Hey, hey, hey, hey, hey, hey  
Tell me one more time, everybodyC'mon and tell me one more time  
How come, whoa how come  
Said how come
