

The Switch

DMA's

And all you ever wanted
Hidden in the water
Lost within all my tearsShe handed me her number
Want me of the wander
Singing into these yearsIf you break out into nothing
And my hands are moving forward
I could leave you with a broken peace of mindI didn't want it all
I've just lost my way
This is where I'm from
Hit the switch againAnd all you ever wanted
Hidden in the water
Lost within all my tearsShe handed me her number
Want me of the wander
Singing into these yearsIf you break out into nothing
And my hands are moving forward
I could leave you with a broken peace of mindI didn't want it all
I've just lost my way
This is where I'm from
Hit the switch againYeah we aint getting down
Blown across the sky
This is all around
Your still in my eyeIf you break out into nothing
And my hands are moving forward
I could leave you with a broken peace of mindI didn't want it all
I've just lost my way
This is where I'm fromHit the switch again
Yeah we aint getting down
Blown across the sky
This is all around
Your still in my eye
