Better Numb

Blood Orange

Save your eyes
You learn to choose to free your mind
She's not right
You really think it's just the timesAnd does your mother know you cry?
Choosin' what you live for
It's never what you make your lifeSave your eyes
Learn to choose to free your mind
She's not right
You really think it's just the timesAnd does your mother know you cry?
Choosin' what you live for
It's never what you make your lifeTime we know
Everything is said before
She's not right
You really think it's just the timesAnd does your mother know you cry?
Do you ever think, boy?
Or does it just feel better alone?
