

I Love Being Here With You

Bette Midler

I love the East, I love the West
North and South, the're both the best
But I only want go there as a guest
'Cause I love being here with you I love the sea, I love the shore
I love the rocks and what is more
You and they never be a bore
'Cause I love being here with you Singing in the shower
Laughing by the hour
Life is such a breezy game
I love all kinds of weather
As long as we're together
Oh, I love to hear you say my name I love good wine, fine cuisine
Candle light, I love the scene
'Cause, baby, if you know just what I mean
I love being here with you I like a Dance by Fred Astaire
And Brando's eyes, Yul Brynner's hair
But I think to tell you's only fair
That I love being here with you And Cary Grant, oh do-dah-day
His utter charm takes me away
But don't get me wrong, how do you say
I love being here with you Basie's band swingin', I like Ella's singing
'Cause there's something else, you know
They know how to say it
They know how to play it
They wind it up and let it go I love the thrill of New York shows
I'd love to kiss Durante's nose
But I'll like to say before I close
I love being here with you
