

Answer The Phone

Sugar Ray

We're on this roller coaster ride
Hold on, I'll stay here by your side
We head up to the sky then we slide back down
Upside down try to figure out
Not sure if we could work it out
I want to be alone but you feel like home Answer the phone
I know that you're home
I want to get you alone
And do it again, do it again Answer the phone
I know that you're home
I want to get you alone
And do it again, do it again
The signals all are flashing red
It doesn't matter what was said
This bed is much too big without me and you This all seems so ridiculous
Why can't we just get over this
Don't make me say the obvious Without you
Answer the phone
I know that you're home
I want to get you alone
And do it again, do it again Answer the phone
I know that you're home
I want to get you alone
And do it again, do it again I practice all my lies to a telephone while you were sleeping
I practice all my lies to a telephone while you
Were sleeping
I practice all my lies to a telephone while you were sleeping
I remember the way you curled your toes
On the side of the stage at all our shows
And the glow on your face just because of one rose
And when I wake up in the morning
And you're wearing my clothes Answer the phone
I know that you're home
I want to get you alone
And do it again, do it again Answer the phone
I know that you're home
I want to get you alone
And do it again, do it again
Do it again, do it again

And do it again, do it again
I want to do it again do it again
And do it again, do it again
