

Come to Me

Casey Hurt

Come to me
All you broken and heavy hearted.
Come to me
All you worried and weary souls.
Come to me
All you overworked and underpaid.
And I will give
I will give
I will give you rest
Come to me
All you widows and outcasts
Come to me
All you betrayed and fatherless
And I will give
I will give
I will give you rest
My oak is easy
And I'm making my
You will find rest
For your soul
My oak is easy
And I'm making my
You will find rest for your soul
And I will give
I will give
I will give you rest
