

Love Me Better

Trey Songz

Told you from the get go, I would never let go
You remain a turn on, hope you know like I know
I'ma always love you when nobody else do
I'ma be the shelter, you can always run to You're the one I run to when I need a shoulder
I'm the one you run to, when you need a soldier Say that I'm the realest one you ever met
But girl, this is the realest thing I ever said
If you give me the world than it won't mean nothing
(Won't mean nothing, won't mean nothing) 'Cause if you leave my world then I won't have nothing
(Won't have nothing, won't have nothing) And this is from my heart, ay, ay
This is from my soul, ay, ay
Lovers may come, ay, ay
And lovers may go, ay, ay But I don't worry about a thing
'Cause as long as we're together
Babe, I know, I know, I know
I know, I know, I know that No one's gonna love me better, ay, ay, ay, ay
No one's gonna love me better, ay, ay, ay ay
No one's gonna love me You the one I'm cool with, you know what to do with
Everything I'm giving, baby, you know who the truth is
You know where the safe at, you know who my boo is
Never had a fake bag, always on that new shit You the only beat that could play in my heart
Imagine just to think of us apart Say that I'm the realest, one you ever met
But girl this is the realest, thing I ever said
(Ever said)
If you give me the world it won't mean nothing
(Won't mean nothing, won't mean nothing) 'Cause if you leave my world than I won't have nothing
(Won't have nothing, won't have nothing) And this is from my heart, ay, ay
This is from my soul, ay, ay
Lovers may come, ay, ay
And lovers may go, ay, ay But I don't worry about a thing
'Cause as long as we're together
Babe, I know, I know, I know
I know, I know, I know that No one's gonna love me better, ay, ay, ay, ay
No one's gonna love me better, ay, ay, ay, ay
No ones gonna love me All I need, you are all I see
Gonna stay together, no matter the weather
Sing it now, all I need, you are all I see Baby, I know, I know, I know
No one's gonna love me better
No one's gonna love me better
No one's gonna love me better No one's gonna love me better

No one's gonna love me better
No one's gonna love me
