Hot Girls In Love

Loverboy

She's so young at heart
She likes the pleasure of his company
She cuts the inside groove
With her silver spoon
She likes her tapes on 10
And it's the same as her anatomy
She's on a rainbow cruise
All the way to my room
She's turnin' on the heat
She's got the magic touch
She's turnin' on the heat
And it's a little too much
She's turnin' on the heat
And it's a hundred above, yeah
Hot girls in love
I'm in love
Too many men to please
She counts them all on her Rosary
You know, you might get burned
So be careful where you touch
She gets it when she can
I don't need no anniversary
And she deserves the best, yeah
A cut above the rest
She's turnin' on the heat
She's got the magic touch
She's turnin' on the heat
Ooh, it's a little too much
She's turnin' on the heat
It's a hundred above
Hot girls in love
And baby, I'm in love
Some say she do
Some say she don't
Some say she will
And some say she won't
Some say she can't
Well, I know she can
I say, I got to be

Ah, her lovin' man
She's turnin' on the heat
She's got the magic touch
She's turnin' on the heat
Ooh, and it's a little too much
She's turnin' on the heat
It's a hundred above
Hot girls in love
Hot girls in love
It's a hundred above
They're hot girls in love, yeah
And be careful where you touch
'Cos there's a little too much
She got everything she'll need
Yeah, what she doesn't want me
She's turnin' on the heat
She's turnin' on the heat
She got the look in her eye
I think we gotta know why
Hot girls in rock 'n' roll, love
