

Oh Yeah(ost Republic Of Doyle)

Great Big Sea

I'm gone
You can't get ahold of me
So long
It's coming over me
I fly by
And shatter the speed of sound
Sky High
And I never wanna come down
Oh Yeah I'm a six gun
I'm fully loaded
There's a Love Bomb
I'm about to explode it
I'm a bonfire
I'm burning through the night
Bye Bye
I'm an arrow in flight
Oh Yeah I'm not gonna be a crucifix pin cushion
I'm not gonna be a voodoo doll
I fly with military precision
This is my holy ground
Oh Yeah
