Under the house
Under the house
It came out of the wall
A single cadaver(Under the house)
It went under the house
Scream in the trees
Under the moon(Scream in a dream)
Solid the grave
(Vile stinking)
Stone cold ambitionSolid and gross
It went under the house
It's not the sun I wear as a crown
I colour the cloudsUnder the house
Solid the grave
Stone cold ambition
(Solid discreet)It came out of the wall
A single cadaver
It went under the house
A scream in the treesUnder the moon
Ages apart
Under the house
It's not the sun I wear as a crownI follow the clouds
Under the house
Scream in the trees
Under the moonIt came out of the wall
A single cadaver
It went under the house
The jugular bulge ripsSteal if I could
Under the house
(Ages apart, under the house)
Scream in the trees(Stone cold ambition, solid discreet)
Under the moon
(Under the house)
It went under the houseUnder the house
A scream in the trees
Under the moon
The vile stink in my nostrilA single cadaver
(Stone cold ambition)
It clouded out of the wall

Solid disgrace(The smoke is a float)
It's not the sun that I wear as a crown
(Every breeze brings disease)
Ages apartUnder the house
Mercenary
