

Beautiful City

Stephen Schwartz

Out of the ruins and rubble
Out of the smoke
Out of our night of struggle
Can we see a ray of hope?
One pale thin ray reaching for the dayWe can build a beautiful city
Yes, we can; Yes, we can
We can build a beautiful city
Not a city of angels
But we can build a city of manWe may not reach the ending
But we can start
Slowly but truly mending
Brick by brick, heart by heart
Now, maybe now
We start learning howWe can build a beautiful city
Yes, we can; Yes, we can
We can build a beautiful city
Not a city of angels
But we can build a city of manWhen your trust is all but shattered
When your faith is all but killed
You can give up, bitter and battered
Or you can slowly start to buildA beautiful city
Yes, we can; Yes, we can
We can build a beautiful city
Not a city of angels
But finally a city of man.
