# All For One

## Dan Collins

Take a look around
Won't ya tell me what you see?
Is there love to be found
In this world's pain and misery?
Tell me, will it ever change?
All for one and one for all
Isn't that the way that it should be?
Will we ever change this world?
United we will stand up tall
United we will never fall
If it's all for one and one for all
Days are going by
It's up to you to make a start
Before this world of ours turns
To dust and falls apart

Right now I know we can make a change
All for one and one for all
Isn't that the way that it should be?
Will we ever change this world?
United we will stand up tall
United we will never fall
If it's all for one and one for all
All for one and one for all
Isn't that the way that it should be?
Will we ever change this world?
United we will stand up tall
United we will never fall
If it's all for one and one for all
