

# Love How It Hurts

## Scouting for Girls

I've been waiting  
All my life  
For someone like you  
To come mess with my mind Someone crazy  
Someone who  
Someone who'll love me  
The way I loved you I keep searching  
And what's worse  
Now that you're gone,  
All that's left is the hurt Three little words  
That's all that I've got  
Three little words,  
Like it or not Tell me you noticed?  
Tell me you heard?  
For you I'd have run to  
The ends of the Earth  
I couldn't keep you,  
But I'll keep my word  
It's the most beautiful  
Pain in the world  
I love how it hurts I've been trying  
Since you left  
Trying to fix all the  
Bits that you wrecked I'm just waiting  
Till it mends  
Then I'll let you break  
It again and again Three little words  
That's all that I've got  
Three little words,  
Like it or not Tell me you noticed?  
Tell me you heard?  
For you I'd have run to  
The ends of the Earth  
I couldn't keep you,  
But I'll keep my word  
It's the most beautiful  
Pain in the world  
I love how it hurts I've been losing my mind  
I pretend that it's fine

Trying to keep it together  
While I crumble inside  
You got a friend at  
The end of the line Give me a moment  
Give me a chance  
Lost in the hurt  
Caught in the past Give me a moment  
Give me the past  
Give me the hurt  
I know we can last Tell me you noticed?  
Tell me you heard?  
For you I'd have run to  
The ends of the Earth  
I couldn't keep you,  
But I'll keep my word  
It's the most beautiful  
Pain in the world  
And I love how it hurts This is my journey  
This ain't the end  
I'm waiting here  
Till I see you again
