

Dreaming Light

Anathema

Suddenly... life has new meaning
Suddenly... feeling is being And you shine inside
And love stills my mind
Like the sunrise
Dreaming light of the sunrise Suddenly... don't have to be afraid
Suddenly... it all falls into place And you shine inside
And love stills my mind
Like the sunrise
Dreaming light of the sunrise Dreaming light... And you shine inside
And love stills my mind
Like the sunrise
Dreaming light of the sunrise I feel you but I don't really know you
I dreamed of you from the moment I saw you
And I've seen the sunrise in your eyes
The sky... the sea... the light So live your dream beneath the northern horizon
Be at peace, set your heart in flight again
For the light is truth...
The light is you...
