He'll Never Know

Laura Izibor

[Verse 1]The other night I had a dream
That he was lying here with me
He gently touched upon my face
And ran his fingers through my hairBut there was only but a dream
He has found somebody new
He does not think about my love
It was I who broke his heart in two.[Chorus:]
Cause Hell never know,
Just how much I love him
Hell never know,
Just how much I care
My love will linger on
My love will linger on[Verse 2]I thought I saw him yesterday (I thought I saw him yesterday)
Walking down Grafton street
But that was just another man
(that was just another man)
My eyes were playing tricks on me
ohhhh ohhh ohhh
Its been a year and still I can't
Forget about the way it debt
When he ripped his arms around my waist
And softly whispered in my ears[Chorus:]
Cause Hell never know,
Just how much I love him
Hell never know,
Just how much I care
My love will lean go on
My love will lean go on[Bridge]
I go to the moon and back
I gave him everything I had
To make him feel the way I do
ohhhh
See, I finally understand
What it is to love a man
Ohhh such a bittersweet romance[Chorus]
Hell never know,
Just how much I love him
Hell never know,
Just how much I care

My love will linger on
My love will linger on
My love, my love, my loveSaid, Hell never know,
Just how much I love him (I love him, I love him, I love him)
Said, Hell never know,
Just how much I care
No, no
Said, My love will linger on
On and on
My love will linger on
My love, my love, my love, my love
My love will linger on
My love, my love, my love, my love
My love will linger on
My love, my love, my love, my love
