

# Worst Behaviour

Drake

Worst  
Mufucka never loved us  
Fucka never loved us  
You ain't know, now you know now  
Still at it, scrub J's with a toothbrush  
Shit, niggas still playin' my old shit  
But your shit is like the police asking us questions  
Nigga we don't know shit  
Flexin', nigga I'm just flexin'  
Nigga never loved us  
Do it look like we stressin'?  
Look at you, look at you, and look at you  
I'm glad that they chose us  
Cause man it's a mission, tryna fight to the finish  
Just to see 'em all finish[Hook]  
On my worst behavior, no?  
They used to never want to hear us, remember?  
Mufucka never loved us, remember?  
Mufucka, remember?  
Mufucka never loved us  
I'm on my worst behavior  
Don't you ever get it fucked up  
Mufuckas never loved us  
Man, mufuckas never loved us  
Worst behavior  
Mufuckas never loved us  
Fucka never loved us  
Worst behavior[Verse 2]  
Hold up, hold my phone  
Mufuckas never loved us  
Fucka never loved us  
Now you want to roll one  
Mufucka never loved us  
So everywhere we go now, full cup  
Always hated the boy, but now the boy is the man  
Mufucka, I done grown up  
You know me, you know me  
I'm liable to do anything when it comes to that you owe me  
You owe me, you owe me

Bitch you better have my money when I come for that shit like O.D.B.[Hook]

On my worst behavior, no?

They used to never want to hear us, remember?

Mufucka never loved us, remember?

Mufucka, remember?

Mufucka never loved us

I'm on my worst behavior

Don't you ever get it fucked up

Mufuckas never loved us

Man, mufuckas never loved us

Worst behavior

Mufuckas never loved us

Fucka never loved us

Worst behavior[Verse 3]

Who's hot, who not

Tell me who rock, who sell out in stores

You tell me who flop, who copped the new drop

Whose jewels got rocks, who else makin' rap albums

Doing numbers like it's pop? Same old pimp

Drake you know ain't nothing changed with these funny style niggas

We done put out of the game

I just ask for some blessings at my grandmother's grave

And it's back to L.A. open the mail, starin' at the check

Enough to make you throw up, man it's gross what I net

I'm with my whole set, tennis matches at the crib

I swear I could beat Serena when she playin' with her left

Oh, where I reside it look like a resort inside

Nigga, where your shit from? I imported mine

Bar mitzvah money like my last name Mordecai

Fuck you bitch, I'm more than high

My momma probably hear that and be mortified

This ain't the son you raised who used to take the Acura

5 a.m. then go and shoot Degraasi up on Morningside

For all the stuntin', I'll forever be immortalized

Yeah, back and forth across the border line

Hate to leave the city, but I've got to do the overtime

Gone all the time, even the important times

I should let you know ahead I'm comin' back on my worst behavior[Outro]

Remember?

Remember?

Mufucka

Remember?

Hold up, hold my phone, they used to never want to hear us

Remember?

Mufucka never loved us

Remember?  
Mufucka  
Remember?  
Worst behavior
