

# KCMO Anthem

## Tech N9ne

Stomp your feet and clap your hands with me, it's a celebration

Yea, stomp stomp, clap clap, stomp stomp, clap

Uh uh, eh eh, uh uh, you got it

Tech N9ne! Let's go!

K-C-MO, roll!

(I'm representing)

K-C-MO, roll!

Yeah, please consider ducking us, cause ain't nobody touching us

Got the city loving us, they jumping like it's double dutch

Come through in the clutch we just, make it so you must erupt

Ain't never been no lucky stuff, we winners just because we tough

See my flag, they flying it

Now it's no denying it

Anything that got my city's logo, now they buying it

Keep 'em going crazy though, TV and the radio

Been watching since a baby, so I'm representing KCMO

K-C-MO, roll!

(I'm representing)

K-C-MO, roll!

(Ya ain't messing with)

K-C-MO, roll!

(I'm born and raised in)

K-C-MO, roll!

Yeah, stadium is shaking, they can feel it 'round the nation

Cause the plays we making got the opposition pacing

When my team awakens, you're facing annihilation

We put down a demonstration, you should've stayed on vacation

When you think you got it, then we show you that you're not it

You're gonna find defeat wherever KC has a spot in

We're gonna run you down if you bring it to us, and we win

Kansas City we hold the title, world champions

K-C-MO, roll!

(I'm representing)

K-C-MO, roll!

(Ya ain't messing with)

K-C-MO, roll!

(I'm born and raised in)

K-C-MO, roll!

Yeah
