

Scar Tissue (N'to Remix)

Red Hot Chili Peppers

Scar tissue that I wish you saw
Sarcastic Mister know it all
Close your eyes and I'll kiss you 'cause
With the bird I'll share
With the bird I'll share
This lonely view
With the bird I'll share
This lonely view Push me up against the wall
Young Kentucky girl in a push-up bra
Fallin' all over myself
To lick your heart and taste your health 'cause
With the bird I'll share, this lonely view Blood loss in a bathroom stall
Southern girl with a scarlet drawl
Wave goodbye to ma and pa 'cause
With the bird I'll share
With the bird I'll share, this lonely view Soft spoken with a broken jaw
Step outside but not to brawl
Autumn's sweet we call it fall
I'll make it to the moon if I have to crawl
With the bird I'll share, this lonely view
