The One

Jorja Smith

Never had to work for love
Don't need you to show me how
Don't want to be falling in
When I'm falling out
Didn't think I'd give for love
Every time I hold it back
Now there's lust in my head
I'm tryna find who I amThere's choosers, there's takers
There's begging heartbreakers
I don't wanna be that way
You will never hear me say
Come hold me, console me
When really I'm lonely
Even if I feel this way
I don't wanna feel this way
When I...
Meet someone
I don't want to need no one
I'm not tryna let you in
Even if I've found the oneNever had to wait for love
Always thought it'd come around
You come for me
But I'm nowhere to be found
Cancellations for conversations
I don't need right now
I'm afraid of these relations
I can't be tied downThere's choosers, there's takers
There's begging heartbreakers
I don't wanna be that way
I don't wanna feel this way
When I...
Meet someone
I don't wanna need no one
I'm not tryna let you in
Even if I've found the oneI don't wanna feel this way
When I...Meet someone
I don't wanna need no one
I'm not tryna let you in
Even if I've found the one
