

# Rendezvous (w/ Mark Hill)

Craig David

Six o'clock in the morning wipe the sleep from my eyes  
Felt just like an ordinary day  
Just around the corner, such a surprise a beautiful angel materialised  
Time stood still, face to face  
I'm sure we'd meet in another time and place Our eyes met as you passed me by  
Two souls entwined in the blink of an eye  
And I had to figure out what I'd be missing  
So I turned to you and asked if you wanted to (chorus)  
Rendezvous went to my place say 2 & we can do anything you want to do  
Hey, tonight is your night yeah  
When you clothes your eyes, take a minute, take a moment, realise  
Do you see me when you fantasise  
Tonight'll be your night I'm just sitting here daydreaming about you and all the things you do  
Girl feels so right  
And all I know is you're the one for me, that special kinda lady  
In my life, in my life Well here I am writing you a love song  
Holding back those years, it's been so long  
And I can't deny the way that I'm feeling  
It's true, so girl that's why I'm asking you, can we... [Chorus] Darling tell me, what's on your mind?  
What you thinking?  
Hey what you thinking? what you thinking?  
Darling tell me what's on your mind?  
What's on your mind? yeah  
Darling what are you thinking?  
Now darling what are you thinking... [Chorus] I'm just sittin here daydreaming about you and all the things you  
do  
Girl feels so right  
And all I know is you're the one for me, that special kinda lady  
In my life, in my life, Whatcha doing 'cause we'll be rendezvousing & you know we'll be getting jiggy just for  
fun (x4)
