Full Moon On the Highway

Can

I made it hard today
For I had to do it to me
And if it's only to hold her
She's gonna get it today
She's got a heart to carry
Maybe someone who'll have to go
And take her out on the highway
To give her something to knowFull moon on the highway
Full moon on the highway
Full moon on the highway
Full moon on the highway, yeah
Full moon on the highway
Full moon on the highway
Full moon on the highway
Full moon on the highway, yeahMy little pack could pay the truck
Don't lose your ground all day
In moonlight racing down the highway
She's gonna get it today
She's got a heart to carry
She's got to get it in her head
The moonlight grimming from the skyway
Driving right into her bedFull moon on the highway
Full moon on the highway
Full moon on the highway
Full moon on the highway, yeah, yeah
Flying through the black clear night
They're crying on my way
Chasing round to get the moonlight
Leave tomorrow right away
Please quench my on a higher lover
And if you got the time
You'll get along with the steam high
And keep your body with your mindFull moon on the highway
