

# I Wonder If He Knows

Mark Wills

She don't like to stay out late  
She'd rather be at home  
Holdin' hands by the fireplace  
I wonder if he knows She likes moonlit walks on a seashore sand  
Pickin' up shells with her toes  
It's the silly things that make her laugh  
I wonder if he knows I wonder if he knows  
Just where her heart has been  
I wonder if it shows  
She won't let it be broken again  
It took a long time to mend  
I wonder if he knows She believes in a wedding band  
And that the truth be told  
She's gonna need a one-woman man  
I wonder if he knows She can't trust a man who tells a lie  
That's farther than she will go  
She'll find the strength to say goodbye  
Oh, I wonder if he knows I wonder if he knows  
Just where her heart has been  
I wonder if it shows  
She won't let it be broken again  
It took a long time to mend  
I wonder if he knows Oh, I wonder if he knows
