

# Black and White (feat. Shaggy & Fernando Garibay)

## Kylie Minogue

Shoot it

Talk to me girlThese photographs don't believe me

They're all I have of you since you left

Your smile so misleadingIt's black and white, you ain't coming back to me

It's black and white, you ain't coming back to me

It's black and whiteSmile for me, smile for

Like in those photographs

And we're running, we're running

Oh how I like it when you

Light on me, light on me

So I don't have to let you go(Kylie Minogue):

You have been out of focus

Since you left, baby nothing's clear

Rather keep this illusion

I pretend, you're still right here with meIt's black and white, you ain't coming back to me

It's black and white, you ain't coming back to me

It's black and whiteSmile for me, smile for

Like in those photographs

And we're running, we're running

Oh how I like it when you

Light on me, light on me

So I don't have to let you go(Shaggy):

I let you go now

Shoot it

Here we go one time

Out of love, I'm lost girl

You know, you can't replace me

I need you in my arms, girl

Won't you come back and save me

Without your love I'm lost, girl

You know, you can't replace me

I need you in my arms, girl

Won't you come back and save meSmile for me, smile for

Like in those photographs

And we're running, we're running

Oh how I like it when you

Light on me, light on me

So I don't have to let you go(Shaggy):

Let me take you back tonight

Let me bring you back to life  
Let me put the spark in your life  
Give it to me then girl own it  
Late fifty shades of grey  
You won't give up from where you live  
Breakfast in bed girl I don't play  
When you with me, girl you're alright?  
Worst mistake was saying bye bye  
Egypt trip doing it, can't fly  
One of us was sinking, bye bye I, I, I miss you girl  
I, I, I need you girl  
I, I, I miss you girl  
I, I, I need you girl I, I, I miss you girl  
I, I, I need you girl  
I, I, I miss you girl  
I, I, I need you girl I, I, I miss you girl  
I, I, I need you girl  
I, I, I miss you girl
