Invisible

Danko Jones

I'll crash my car just for you
I'll burn my house down just for you
I'll rip my nuts off just for you
I'll max my credit cardsI'll sell my soul just for you
But nothing seems to be good enough
I might be the longer road
But I'd make it worth your whileWhen you're invisible
it's easy
When you're invisible
it's easyI'll slash my wrists up just for you
I'll break my dick just for you
I'll make my Mama cryI'll dip my hands in blood
I'll be your kicking dog
Point your crosshairs at my head
I'll take it allWhen you're invisible
It's easy
When you're invisible
It's easyI'll crash my car just for you
I'll burn my house down just for you
I'll rip my nuts off just for you
I'll max my credit cardsI'll rip my eyes out just for you
I'll slash my wrists up just for you
I'll break my dick just for you
I'll make my Mama cryWhen you're invisible
It's easy
When you're invisible
It's easy
