U-Turn (Radio Edit)

Samantha

You said that I could trust in you
You said that it would be okI was madly in love with youbelieved in every word you said
I counted the days and nights
that you kept out of sight
I dont think you'll ever returnWell in that case...You can burn motherfucker burn
I push the brakes and make a U-turn
Im driving back in the fastlane, to my worldbefore you cameYou said that I could trust in you
You said that it would be okI was madly in love with you
believed in every word you said
I counted the days and nights
that you kept out of sight
I dont think you'll ever returnBurn motherfucker burnYou can burn motherfucker burn
I push the brakes and make a U-turn
Im driving back in the fastlane, to my worldbefore you cameHow could I be so blind?
I didnt see it coming
believed in all your lies
You treated me so kind
like I was in heaven
But lately its been hell
I get up again
I know I will
I get up again
And now you can burn motherfucker burn
I push the brakes and make a U-turn
Im driving back in the fastlane, to my worldbefore you came
