

# U-Turn (Radio Edit)

## Samantha

You said that I could trust in you  
You said that it would be okI was madly in love with youbelieved in every word you said  
I counted the days and nights  
that you kept out of sight  
I dont think you'll ever returnWell in that case...You can burn motherfucker burn  
I push the brakes and make a U-turn  
Im driving back in the fastlane, to my worldbefore you cameYou said that I could trust in you  
You said that it would be okI was madly in love with you  
believed in every word you said  
I counted the days and nights  
that you kept out of sight  
I dont think you'll ever returnBurn motherfucker burnYou can burn motherfucker burn  
I push the brakes and make a U-turn  
Im driving back in the fastlane, to my worldbefore you cameHow could I be so blind?  
I didnt see it coming  
believed in all your lies  
You treated me so kind  
like I was in heaven  
But lately its been hell  
I get up again  
I know I will  
I get up again  
And now you can burn motherfucker burn  
I push the brakes and make a U-turn  
Im driving back in the fastlane, to my worldbefore you came
