

# Danny's Song

## Anne Murray

People smile and tell me I'm the lucky one  
And we've just begun, I think I'm gonna have a son  
    He will be like you and me, as free as a dove  
    Conceived in love, the sun is gonna shine above

Chorus:

And even though we ain't got money  
    I'm so in love with ya honey  
    Everything bring a chain of love  
    And in the mornin' when I rise  
    Bring a tear of joy to my eyes  
    And tell me everything's gonna be all right

Love a guy who holds the world in a paper cup  
    Drink it up, love him and he'll bring you luck  
And if ya find he helps your mind, better take him home  
    Yeah 'n' dontcha live alone, try to earn what lovers own

Chorus (2x)
