

Crying In the Chapel

Elvis Presley

You saw me crying in the chapel
The tears I shed were tears of joy
I know the meaning of contentment
I am happy with the Lord Just a plain and simple chapel
Where all bumble people go to pray
I prayed the Lord that I'll grow stronger
As I live from day to day I searched (I searched) and I searched (I searched) but I couldn't find
No way on earth to gain peace of mind Now I'm happy in the chapel
Where people are of one accord (One accord)
Yes, we gather in the chapel
Just to sing and praise the Lord You'll search and you'll search but you'll never find
No way on earth to find peace of mind Take your troubles to the chapel
Get down on your knees and pray
Then your burdens will be lighter
And you'll surely find the way (And you'll surely find the way)
