

# Bar Room Jury

## Levellers

Everybody knows the story  
They've got the details, what the score is  
But if you want the truth, girl  
You may need more than a day You need to move just a little closer  
These walls have ears if you didn't know, girl  
There're certain things that you need to know  
Before you go on your way It seems the world is a little busy  
Selling lies on for a living  
That in a blinking of an eye  
The truth has slipped away And the writings on the wall  
To see It lives on even though you think it's dead and gone  
The legacy love leaves behinds was never easy, never kind  
It lives on even though you think it's dead and gone  
The legacy love leaves behinds was never one to mind Moving on to the next installment

(In)

Case the bar room jury dies of boredom  
The vultures are waiting  
For the next meal of the day Another tale that's sad and sorry  
And another love that went so wrong  
And all the inside guts and glory  
That pushed it all along It's hard to find the word to say  
You just let the days go by, come what may  
All the things that we should have done  
Just happened anyway And the writing written on the wall  
For everyone to see It lives on even though you think it's dead and gone  
The legacy love leaves behinds was never easy, never kind  
It lives on even though you think it's dead and gone  
The legacy love leaves behinds was never one to mind It lives on even though you think it's dead and gone  
The legacy love leaves behinds was never easy, never kind  
It lives on even though you think it's dead and gone  
The legacy love leaves behinds was never one to mind
