

Endless Love

Luther Vandross

My love, there's only you in my life
The only thing that's right, oh yeah
My first love, yeah
You're every breath that I take
You're every step I make And I, I want to share
All my love with you, hey
No-one else will do and your eyes
They tell me how much you care
Oh, yes, you will always be
My endless love, oh yeah Two hearts, two hearts that beat as one
Our lives have just begun
And forever I'll hold you close in my arms
I can't resist your charms
No no no no And I, I'd be a fool for you, I'm sure
You know I don't mind
'Cause baby, you
You mean the world to me, oh
I know, I've found in you, my endless love Whoa, and I, I'd play the fool for you, I'm sure
That you know I don't mind
Oh, yeah yeah yes, you'd be the only one
'Cause no-one, no-one can't deny this love I have inside
And I'll give it all to you, my love, my love, my love
My endless love My love
